SIR,

With reference to your official memorandum No.945 dated 22nd October 1931 forwarding for disposal an extract from the Mr. Dewan's tour petition from/Lakshmidevi and others of Devarayasamudra in Kolar Taluk praying for the construction of a mosque at the place, I have the honor to forward herewith the file received with Kolar District Deputy Commissioner's letter No.A2-3.1474/31-32 dated 7th October 1931, and to state as follows:-

2. The petitioners have prayed for permission to construct the mosque and also a Government grant of ¾ of the cost of construction.

3. The Deputy Commissioner reports that they have selected a site measuring 14 yards X 14 yards as per sketch enclosed in the file and given a Mutchalika agreeing to the passage of procession with music in the main road, to have the gate not towards the road but to the **southern** side and to fix a stone tablet embodying the conditions. The Deputy Commissioner further states that the village is not of sufficient importance to justify a Government grant for the building as there are only 16 Mahomedan houses in the village population of 100.

4. In these circumstances I recommend that permission may be granted for the construction of the mosque on the site selected.

The applicants will be informed that no funds can be given from the State Grant.

5. A copy of the Deputy Commissioner's letter is also enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

Luzrai Commissioner.

With reference to our letter No.B.A.Dis.A77/29-30 [illegible] 9th October 1929 on the above subject, I have the honour to forward herewith the following papers received along with Mr. [illegible]'s -- report No.D.T.C./29-30 dated 18th September 1929 on the above subject.

2. The Panchayatdars of the said place pray that [illegible] be given permission to construct a mosque in the village [illegible] and the land -- given free. There are 16 Mahomedan houses [illegible] total [illegible] in the village. For the construction of the mosque they have elected a site 196 Sq. yds in the Gramathana as per sketch enclosed. They have agreed to pay ¼ cost of the building, the remaining portion to be [illegible] from Government. The villagers have no objection to grant the -- site applied for by the Mahomedans for the construction of the mosque.

3. The Amildar recommends that the site in question may be granted free. He further states that he has asked the Mahomedans to move in an application for the grant of 4 acres of dry land for the use of the -- Mosque. He has also requested the Chairman of the village Panchayat to intimate the amount that can be spared as contribution towards the construction of the Mosque.

The Sub Division Officer also states that the site referred to above may be sanctioned free. I therefore request you to kindly --- obtain the sanction of Government for the construction of the Mosque in the site prayed for by the Mahomedans. I may add that the village is not of such importance as to justify Government grant. An extent of 4 acres of land will be given when the devotees apply.

The mutchalika obtained from the Mahomedans is also enclosed in the record.
